Patron's Path

The Elk Rapids Garden Club created the Patron's Path to honor the late Norma Abbott, and to celebrate the affection our extended family has for our Village of Elk Rapids. Located downtown on River Street, at the river's bridge to the Library Island House, it has become a treasured location for engagements, weddings, and camera shots.

A personalized brick on the path creates a distinctively elegant way to honor someone special! Bricks may be inscribed with names, birthdays, or to commemorate dates or events. You may purchase a brick for yourself, your family, your business, or "in honor of _____". An engraved brick is a special gift for any special occasion (like Christmas).
